

Dear Classmates and Friends of Science '79

**Science '79 Reunion Activities
October 22 - 23 - 24, 2004**

As it was indicated in the last Alumni Review, it is time to begin to gear-up for **Science '79's 25 Year Homecoming**. Yes 25 years have passed since we all left (in some cases fled) Kingston. Queen's and Kingston has never been the same (except maybe on a couple of our previous reunion weekends). Well, now is our chance to return with our classmates and let Queen's know that we still know how to have a good time!

Do all of you realize that every half-hour the entire Queen's University population and their neighbours are reminded of Science '79? As a departing gift Science '79 provided a sizeable donation which was the amount required to complete the retrofit of the Grant Hall Clock Chimes. Stop by and look for the commemorative plaque.

For those of you who where able to attend the 5 year cruise, the 10 year mystery dinner at the Sergeant's Mess complete with school bus chauffeurs, the 15 year secret mission, or the 20 year tail gate party and Wallace Hall Reception, this reunion will prove to be the best yet!

To help us put all the pieces in place, we are now coming to you for a definite commitment. As we are expecting **THOUSANDS** to attend, we urge you to respond as soon as you are able.

Firstly, Homecoming '04 has been moved from September back into October. The reasons for the move are something we can and should save to debate over a beer. The weekend is October 22-23-24, 2004.

THE PLAN.

LODGINGS CHOOSE ONE OF THE FOLLOWING

Peachtree Inn

1187 Princess Street
Phone: 1-613-546-4411

Phone: 1-613-544-4434
Fax: 1-613-548-1782

This Hotel is closer to the campus than the Peach Tree Inn, however Science '79 was unable to secure a preferred arrangement on a block of rooms. 15 of our **keener** classmates have already booked rooms for Homecoming at this facility.

**SOLD OUT FOR NOW
CANCELLATIONS POSSIBLE**

RATES:

\$160 US and up Plus Taxes

FRIDAY NIGHT:

As always Clark Hall Pub will be open to Alumni on the Friday evening. This year we are going to use what ever influence we have to secure preferred entry for Science '79 on the Friday afternoon and evening up to 7:00 PM. We will be handing out the Science '79 paraphernalia so don't miss this meeting point. Should these plans change we will be updating by email. (**SEND US YOUR E-MAIL ADDRESS** on the attached form)

SATURDAY MORNING:

Just for fun Science '79 is attempting to organize a FEED the student Pancake breakfast at the corner of Union and University. This will take the tradition of a pre Grey Cup Game Pancake breakfasts to new heights never seen before a University Football Game.

SATURDAY AFTERNOON:

Arrangements are being made to chauffeur the entire group out to the ball field from the hotel. If there is a parade this will be on a float, if not it will be by rented bus.

SATURDAY AFTER THE GAME

Free time after the game can be used as seen fit ie shower, sleep, or a celebration drink at Clark Hall Pub. Speaking of Clark Hall Pub Science '79 will present a piece of the goal post from the last time Queen's won the Vanier Cup to be proudly hung on the wall of fame.

SATURDAY NIGHT

What ever you do you will not want to miss a wonderful evening with all our classmates at a private dinner party arranged just for Science '79 at Lower Ban Righ Hall complete with excellent food wine and music.

SUNDAY MORNING:

Sunday morning may mean two aspirins or a champagne brunch at the Skylight dining room sponsored by the Alumni Office. For those who wish there will be a chaplains service at Grant Hall.

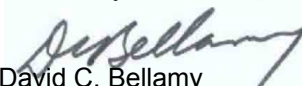

Brian Ricci has set-up a class web site which we encourage all of you to visit (www.sceince79.com). Use it as a place to get caught up with friends and stay up to date regarding our reunion plans.

Please complete the enclosed registration form and mail it back to us as soon as possible. We must receive your response no later than August 5, 2004.

To those of you who have participated in the planning of this reunion many, many thanks. To those of you who have to travel large distances at great expense to attend - believe us you will not be disappointed. The rest of the class commend your spirit and look forward to seeing you!

Until Friday October 22nd 2004.

Yours truly,

David C. Bellamy
